BIDDEFORD FOOD PANTRY

Our mission and impact

The Biddeford Food Pantry is a non-profit 501(c)(3) organization that provides food at no cost to the citizens of Biddeford and surrounding towns who cannot afford to purchase food for themselves and their families. Every week, more than 450 families receive our support—free of charge. Last year we gave out more than a half a million pounds of food, and the need has grown 30% this year.. No one leaves without food.

Help the pantry

Financial donations are always appreciated Checks can be mailed to our address and we accept donations online. We are in need of the following non-perishable items:
